Title: The end of the suburbs: where the American dream is moving
Author: Leigh Gallagher
Format: Book
Publisher and Publication Date: WEST Library 307.749073 G1626e 2013

More Details:
- Description: 251 pages. 8 unnumbered pages of plates: illustrations, map; 24 cm.
- Includes bibliographical references (pages 217-249) and index.

Summary: "For nearly 70 years, the suburbs were as American as apple pie. As the middle class banded and single-family homes and detached and single-story homes were the norm. As the suburbs became synonymous with the ideal of the American Dream, the suburbs became a symbol of success and prosperity. But in recent years, the housing market crash has had a profound impact on the suburbs."
